Alderman Elliott called the Police Committee Meeting to order.

Elliott stated that we have an Ordinance that is up for approval tonight to authorize an application to the Illinois Department of Transportation, for a License Plate Recognition Camera, Permit at Route 3 and Chain of Rocks Road and turned over to Chief Martinez.

Martinez stated to get this program off and running we have to get approval from IDOT. This is the initial phase and some of the cost of this will be covered by Madison County and the States Attorney's office and the rest will be funded by the Drug Fund. There will be no cost to the City. We will be installing them in all 10 Police Cars; we will be connected to other counties that have this program which helps us all to work together.

MOTION By Elliott, second by Mathes to approve an Ordinance to authorize an application to the Illinois Department of Transportation, for a License Plate Recognition Camera Permit at Route 3 and Chain of Rocks Road. ALL VOTED YES. Motion Carried.

MOTION By Elliott, second by Davis to adjourn the Police Committee Meeting. ALL VOTED YES. Motion Carried.
